CREATE IBM SERVICE:

The screenshot displays the IBM Watson Assistant Lite web interface. The top navigation bar includes 'IBM Watson Assistant Lite', an 'Upgrade' button, and a dropdown menu for 'Banking Bot'. On the right, there are links for 'Learning center', a help icon, and a user profile icon.

The main content area is titled 'Home' and features a sidebar with navigation icons. The central panel is divided into three main sections:

- Assistant details:** Shows the assistant name 'Banking Bot', description '-', and language 'English (US)'.
- Task tracker:** A list of tasks with progress bars:
 - 'Enhance your assistant' (0 steps left, 0 min, 100% complete)
 - 'Test and refine your assistant' (2 steps left, 0 min, 50% complete)
 - 'Deploy your assistant' (2 steps left, 7 min, 50% complete)
- Live assistant status:** A diagram showing the integration of various components:
 - Channels:** A box labeled 'Web chat' is connected to a central blue circular icon with radiating lines.
 - Resolution Methods:** A box labeled 'Content' with the status 'No version assigned yet' is connected to the central icon.
 - Extensions:** A box labeled 'Search' (Powered by IBM Watson Discovery) is connected to the central icon. It includes the text 'Extend what your assistant can answer by searching your existing documents and FAQs' and a 'Try Plus Plan +' link.
